#### HOW RISKY IS IT?

The value of the Fund can go down as well as up. You could lose money.

One way to gauge risk is to look at how much a fund’s returns change over time. This is called “volatility.”

In general, funds with higher volatility will have returns that change more over time. They typically have a greater chance of losing money and may have a greater chance of higher returns. Funds with lower volatility tend to

#### RISK RATING

Ninepoint Partners LP has rated the volatility of this Fund as **low**.

This rating is based on how much the Fund’s returns have changed from year to year. It doesn’t tell you how volatile the Fund will be in the future. The rating can change over time. A fund with a low risk rating can still lose money.

have returns that change less over time. They typically have lower returns and may have a lower chance of losing money.

For more information about the risk rating and specific risks that can affect the Fund's returns, see "What Are the Risks of Investing in the Fund?" section of the Fund's simplified prospectus.

**NO GUARANTEES**

Like most mutual funds, this Fund does not have any guarantees. You may not get back the amount of money you invest.

**HOW HAS THE FUND PERFORMED?**

This section tells you how Series FT units of the Fund have performed in the past 7 calendar years. Returns are after fund expenses have been deducted. These expenses reduce the Fund's returns.

**WHO IS THIS FUND FOR?**

The Fund is suitable for those investors seeking long-term capital growth and current income and a core Canadian balanced fund that seeks to provide some downside protection through the use of fixed income, option strategies and tactical changes to the amount of equity exposure. Investors should be comfortable with low investment risk and a medium-term time horizon.

**A WORD ABOUT TAX**

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live, the type of earnings (i.e., income or capital gains), and whether or not you hold the Fund in a registered plan such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.

Keep in mind that if you hold your Fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

**HOW MUCH DOES IT COST?**

The following tables show the fees and expenses you could pay to buy, own and sell Series FT units of the Fund. The fees and expenses – including any commissions – can vary among series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other series, funds and investments that may be suitable for you at a lower cost.
