

NINEPOINT ALTERNATIVE INCOME FUND

Performance as of April 30, 2022

On February 28, 2022, the Fund suspended subscriptions and redemptions retroactive to February 1, 2022. The Fund remains temporarily closed to redemptions at this time while we engage with investors and provide insight and transparency on the Fund's portfolio.

The Ninepoint Alternative Income Fund ("Fund") is holding a special meeting to consider, and, if deemed advisable, authorize by resolution of the Unitholders, amendments to certain terms of the Fund. Mailing materials for the meeting are expected to be mailed on or about July 28, 2022; these materials should be consulted for additional information once available. If the resolution is approved, the effective date of the restructuring is anticipated to be on or about September 30, 2022. Ninepoint Partners believes the Unitholders will benefit from the Restructuring.

FUND HIGHLIGHTS

- **Multi-Strategy Approach** – Access to complementary alternative credit strategies that are diversified across geography, asset class, industry and duration.
- **No Additional Fees** – One layer of fees charged to the investor unlike traditional fund-of-funds managers.
- **Principal Protection** – Strategies are primarily senior secured and first lien with conservative loan-to-values.
- **Access to Best-In-Class Managers** – Industry veterans with workout and restructuring experience and have managed their respective strategy through multiple business cycles.
- **Dynamic Asset Allocation** – Strategically adjust exposure to select strategies based on market conditions, funding requirements and liquidity with monthly rebalancing.

* As the Fund invests in a portfolio of other investment funds with varied management fee rates, the resulting weighted management fee borne by the Fund is a combination of direct and indirect management fees. Direct management fees arise when the Fund invests in a non-management fee bearing class of another investment fund, and the value of such assets are included in the Fund's own management fee calculation. Indirect management fees arise when the Fund invest in a management fee bearing class of another investment fund, and the value of such assets are excluded from a Fund's own management fee calculation. The Fund will not pay a management fee to the Manager that to a reasonable person would duplicate a fee payable to the Manager, by a portfolio of funds for the same service.
