The risks associated with investing in a Fund depend on the securities and assets in which the Fund invests, based upon the Fund's particular objectives. There is no assurance that any Fund will achieve its investment objective, and its net asset value, yield and investment return will fluctuate from time to time with market conditions. There is no guarantee that the full amount of your original investment in a Fund will be returned to you. The Funds are not insured by the Canada Deposit Insurance Corporation or any other government deposit insurer. Please read a Fund's prospectus or offering memorandum before investing. Ninepoint Partners LP is the investment manager to the Ninepoint Funds, (collectively, the "Funds"). Important information about these Funds, including their investment objectives and strategies, purchase options, and applicable management fees, performance fees (if any), and expenses, is contained in their prospectus or offering memorandum. Please read these documents carefully before investing. Commissions, trailing commissions, management fees, performance fees, other charges and expenses all may be associated with investing in the Funds. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated. This communication does not constitute an offer to sell or solicitation to purchase securities of the Funds. The information contained herein does not constitute an offer or solicitation by anyone in the United States or in any other jurisdiction in which such an offer or solicitation is not authorized or to any person to whom it is unlawful to make such an offer or solicitation. Prospective investors who are not resident in Canada should contact their financial advisor to determine whether securities of the Funds may be lawfully sold in their jurisdiction.
