**A WORD ABOUT TAX**

In general, you'll have to pay income tax on any money you make on a fund. How much you pay depends on the tax laws where you live, the type of earnings (i.e., income or capital gains), and whether or not you hold the Fund in a registered plan such as a Registered Retirement Savings Plan or a Tax-Free Savings Account.

Keep in mind that if you hold your Fund in a non-registered account, fund distributions are included in your taxable income, whether you get them in cash or have them reinvested.

**HOW MUCH DOES IT COST?**

The following tables show the fees and expenses you could pay to buy, own and sell Series A units of the Fund. The fees and expenses – including any commissions – can vary among series of a fund and among funds. Higher commissions can influence representatives to recommend one investment over another. Ask about other series, funds and investments that may be suitable for you at a lower cost.

**1. Sales Charges**

You will be charged an initial sales charge when you buy Series A units of the Fund.

Sales charge option	What you pay		How it works
	in percent (%)	in dollars (\$)	
<b>Initial sales charge</b>	0% to 5.0% of the amount you purchase	\$0 to \$50 for each \$1,000 investment	<ul style="list-style-type: none"> <li>The actual amount of the initial sales charge is to be negotiated between you and your representative.</li> <li>The initial sales charge is deducted from the gross amount at the time of purchase. **Annual Rate (as a % of the Fund's value)**

**2. Fund Expenses**

You don't pay these expenses directly. They affect you because they reduce the Fund's returns.

<b>Management expense ratio (MER)</b> This is the total of the Fund's management fee, performance fee and operating expenses.	4.14%
<b>Trading expense ratio (TER)</b> These are the Fund's trading costs.	0.48%
<b>Fund expenses</b>	4.62%

**Performance Fee**

The Fund pays Ninepoint Partners LP a quarterly performance fee equal to 15% of the amount by which the return in the net asset value per unit of the series from the calendar quarter exceeds the previous high water mark. The high water mark is the greater of (i) the initial net asset value per unit, or (ii) the net asset value per unit at the end of the most recent calendar quarter for which a performance fee was paid after giving effect to all distributions in, and payments of performance fees for, such calendar quarter, and 1.5% for the same period (the "Hurdle Rate"). If the performance of a particular series of units in any calendar quarter is positive, but below the Hurdle Rate, the high water mark for the subsequent calendar quarter will be adjusted upwards to reflect such increase in the net asset value per unit of that particular series, until such time as a performance fee is paid and the high water mark is reset. If the performance of a particular series of units in any calendar quarter is negative, there will be no adjustment to the high water mark in the subsequent calendar quarter, such that it will remain the same as it was in the prior calendar quarter.

**More about the trailing commission**

The trailing commission is an ongoing commission. It is paid for as long as you own the Fund. It is for the services and/or advice that your representative and his or her firm provide to you.

Ninepoint Partners LP pays the trailing commission to your representative's firm. It is paid from the Fund's management fee and is based on the value of your investment. The rate is as follows:

Sales charge option	Amount of trailing commission	
	in percent (%)	in dollars (\$)
<b>Initial sales charge</b>	0% to 1.00% of the value of your investment each year	\$0 to \$10.00 each year on every \$1,000 held

**3. Other Fees**

You may have to pay other fees when you buy, hold, sell or switch units of the Fund.

FEE	WHAT YOU PAY
<b>Switch Fee / Conversion Fee</b>	A fee of 0-2% of the value of the units you wish to switch or reclassify may be charged by your representative's firm, as negotiated with your representative.
<b>Short-Term Trading Fee</b>	Ninepoint Partners LP may impose a short-term trading fee payable by the unitholder to the Fund of up to 1.5% of the aggregate net asset value of the units redeemed if such units are redeemed within 20 days of purchase or switch. For purposes of this short-term trading fee, units will be considered to be redeemed on a first-in first-out basis. If Ninepoint Partners LP detects excessive trading of the unitholder's units in the Fund within 90 days of purchasing or switching them, it reserves the right to charge an additional 3.0% of the net asset value of the units.
<b>Registered Tax Plan Fees</b>	No fee is charged to open, close or administer a registered tax plan administered by Ninepoint Partners LP.
