WHY INVEST IN THIS FUND?

- **A better alternative for cash balances** – The Fund commonly invests in high-quality interest-bearing securities with short maturities and low credit risk. Typical investments include short-term government bonds, treasury bills and commercial paper.
- **No term commitments** – Unlike GICs and Term Deposits, there is no penalty for redemption.
- **Daily liquidity** – Easy access to cash.
- **Now available as an ETF** – Easier to incorporate into your portfolio model and bulk trade.

NINEPOINT CASH MANAGEMENT FUND, SERIES F

Effective September 3, 2024, Ninepoint High Interest Savings Fund changed its name to Ninepoint Cash Management Fund; and changed its investment strategies to follow the legal requirements for money market funds with respect to quality, liquidity and maturity of investments; and permitted the Fund to engage in securities lending as permitted by securities regulations. - During the investing lifecycle, any well diversified portfolio typically includes a cash component that offers liquidity, convenience and yield. The cash portion of the portfolio can be used to temporarily hold funds for new investments, purchases or expenses.
- There are limited options for short term, liquid investment vehicles. These options are further narrowed down by the investors' need for reasonable returns without unnecessary risk.
