¹The monthly distribution amount may be adjusted by the Manager without notice throughout the year as market conditions change. Monthly distributions will be comprised of net income, net realized capital gains and/or return of capital. Any net income and/or net realized capital gains earned by the Fund in excess of the monthly distribution will be distributed to unitholders annually in December.

WHY INVEST IN ENERGY INCOME FUND?

- 1. Compelling Asset Class** – With oil demand predicted to grow until at least 2034 and global inventories falling, the outlook for the energy sector is supportive of continued upward pressure on the price of oil[^].
- 2. Consistent Income** – Canadian dividend-paying oil producers are well positioned to return meaningful capital back to shareholders with low financial leverage and record free cash flow in the industry. Investors will benefit from the Fund's **target distribution of 7% NAV/unit, paid monthly^{*}**.
- 3. Covered Call Option Strategy** – Aims to generate additional tax-efficient income utilizing an actively managed covered call options strategy.
- 4. Experienced Management** – Managed by Eric Nuttall, Senior Portfolio Manager and Partner, and manager of the **Ninepoint Energy Fund**.
- 5. Investor Friendly Fund Structure** – The Fund is structured as an alternative mutual fund offering Series A, F, S, SF, D on Fundserv and ETF Series on Cboe Exchange (ticker: NRGI).

Ninepoint Partners LP is the investment manager to the Ninepoint Funds (collectively, the "Funds"). Commissions, trailing commissions, management fees, performance fees (if any), and other expenses all may be associated with investing in the Funds. Please read the prospectus carefully before investing. The indicated rate of return for Series F shares of the Fund for the period ended March 31, 2025 is based on the historical annual compounded total return including changes in share value and reinvestment of all distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns.

Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. The information contained herein does not constitute an offer or solicitation by anyone in the United States or in any other jurisdiction in which such an offer or solicitation is not authorized or to any person to whom it is unlawful to make such an offer or solicitation. Prospective investors who are not resident in Canada should contact their financial advisor to determine whether securities of the Fund may be lawfully sold in their jurisdiction.

The information provided is general in nature and is provided with the understanding that it may not be relied upon as, nor considered to be, the rendering of tax, legal, accounting or professional advice. Readers should consult with their own accountants and/or lawyers for advice on the specific circumstances before taking any action.
