

# NINEPOINT TARGET INCOME FUND

Series A Performance as of May 31, 2024

## MANAGER

**Colin Watson**

Portfolio Manager

**Etienne Bordeleau-Labrecque,**  
MBA, CFA

Vice President, Portfolio Manager

## FUND OBJECTIVE

The Ninepoint Target Income Fund seeks to provide unitholders with **stable, monthly distributions and lower volatility than a direct investment in the broad equity markets** by investing primarily in a diversified portfolio of equity index based investments that generates income and using derivatives strategies to moderate the market volatility of those investments.

<sup>#</sup> The monthly distribution amount may be adjusted by the Manager without notice throughout the year as market conditions change. Monthly distributions will be comprised of net income, net realized capital gains and/or return of capital. Any net income and/or net realized capital gains earned by the Fund in excess of the monthly distribution will be distributed to unitholders annually in December.

\*The amount of the monthly distribution may be adjusted by the Manager without notice throughout the year as market conditions change. Monthly distributions will be comprised of net income, net realized capital gains and/or return of capital.

## WHY INVEST IN THE NINEPOINT TARGET INCOME FUND?

- 1. Targeted Distribution** – The Ninepoint Target Income Fund utilizes a cash covered put selling strategy offering 6% target distribution\*, potentially offering a buffer against market declines.
- 2. Income Potential & Diversification** – Competitive target yield and income diversification during challenging markets.
- 3. Accessible** – Offered in a low-medium risk rated traditional mutual fund structure with daily liquidity at NAV.
- 4. Execution Partnership** – Leverages RBC Quantitative Investment Solutions diversified, rules based put selling strategies to generate income and diversification.

## INVESTMENT APPROACH

- 1. Laddered Strikes & Maturities** – rules-based put selling strategies roll strikes on a continuous quarterly basis to improve diversification.
- 2. Active Risk Management** – Ability to optimize risk and index exposures to target distribution.
- 3. Cash Management Expertise** – Access to institutional cash management solutions to generate additional yield.

Ninepoint Partners LP is the investment manager to the Ninepoint Funds (collectively, the "Funds"). Commissions, trailing commissions, management fees, performance fees (if any), and other expenses all may be associated with investing in the Funds. Please read the prospectus carefully before investing. The indicated rate of return for Series A shares of the Fund for the period ended May 31, 2024 is based on the historical annual compounded total return including changes in share value and reinvestment of all distributions and does not take into account sales, redemption, distribution or optional charges or income taxes payable by any unitholder that would have reduced returns. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated. The information contained herein does not constitute an offer or solicitation by anyone in the United States or in any other jurisdiction in which such an offer or solicitation is not authorized or to any person to whom it is unlawful to make such an offer or solicitation. Prospective investors who are not resident in Canada should contact their financial advisor to determine whether securities of the Fund may be lawfully sold in their jurisdiction.
